

PALAQ VORA

Partner, Anagram Partners

Professional Summary

With over a decade of experience, Palaq specializes in mergers & acquisitions and private equity transactions. Her focus lies in advising corporates and private equity funds on both domestic and cross-border strategic acquisitions, as well as minority investments and joint ventures. Palaq has a strong track record of rendering legal advice across various sectors such as manufacturing, retail, financial services, healthcare, and information technology, showcasing her versatile expertise in deal-making and legal advisory roles.

In her career, Palaq has advised several global conglomerates, MNCs, international PE funds, and financial institutions. Palaq's understanding of global markets and regulatory frameworks enables her to advise on cross-border transactions seamlessly.
