

# KARTIK SOLANKI

Associate, Anagram Partners

## Professional Summary

Kartik has a keen interest in tax law, with expertise in direct, indirect, and international taxation. He has advised several corporation and funds, particularly in areas of cross-border structuring, Indian operations, internal restructurings, tax insurance, GAAR, PPT, and other matters from an Indian tax perspective. His litigation experience includes drafting writ petitions, responding to show cause notices, and appearing in hearings before the Income Tax Appellate Tribunal.

In his spare time, Kartik enjoys playing basketball, travelling, and has recently developed a keen interest in reading historical fiction and war stories.
